## We are Happy to Announce the Rapid Response Invest in America Infrastructure Action & Thank You Drawing!

**Invest in America Infrastructure Action** – We can invest in the safety of our communities, our ability to compete globally, our national security and good jobs when we support the building and rebuilding of our nation's infrastructure. We want to make a strong statement as we head into 2014 that we are ready for a new direction in Washington – one that builds towards our collective future by investing in America.

**Rapid Response Thank You Drawing** – At the same time, we recognize that Washington and our state capitols do not change unless we speak out. Thanks to local Rapid Response efforts, we regularly do just that. For past efforts and for taking part in this current action, we say thank you with a drawing for more than fifty prizes, including two grand prize trips to Las Vegas for the Steelworkers International Convention in August, 2014!

## Instructions

**1 - Postcards and entry cards are being mailed to Local Union Presidents now. Upon receipt, circulate the cards using your Rapid Response network or designate someone to handle.** Add in instructional details in the blank space on the flyers that are included with the mailing (ex: who is circulating, where to turn them in, etc.) and post them. Note: There is no cost to enter the drawing. We request only one entry form per active or retired member. Please refer to the additional details noted on the flyer and cards. If more cards are needed, please contact Rapid Response at 412-562-2291.

**2 - Return as many cards as possible to Rapid Response by January 31, 2014,** so we can make the first round of infrastructure postcard deliveries during the 2014 Rapid Response and Legislative Conference in early February. Ensure that any remaining cards are delivered by February 21 to be included in the drawing. A second round of postcard deliveries will take place following the drawing.

Return cards to: United Steelworkers Rapid Response, 5 Gateway Center, 7th Floor, Pittsburgh, PA 15222

**3 - Winners of the grand prizes and Rapid Response gear will be announced and notified during the first week of March, 2014.**

*Please ensure that ALL members have a chance to take part, and thank you for all you do!*
