Union Plus Education Webinar

Union Plus will be holding a free education webinar on Tuesday, June 17 at 1 p.m. EDT. The webinar, titled **Learn Your Way to Earning Your Way**, will provide information and strategies to make college more affordable. The webinar will also discuss two new Union Plus programs—the Student Debt Eraser grant, and the \$20K Student Loan Giveaway. Registration for the webinar can be found at UnionPlus.org/Education.

Student Debt Eraser

Union Plus understands the financial burden put on today's students, and that is why it launched the Student Debt Eraser. The Student Debt Eraser helps union members who have a Union Plus Credit Card, Mortgage or Insurance policy pay down their student loan debt with grants of \$500.

"Student loans are the biggest obstacle facing Millennials today," Union Privilege President Leslie Tolf said. "We have many young leaders in the union movement that can't lead because they're worrying about paying their loans. We at Union Plus want to help with some of that burden."

College graduates now carry more than \$1.3 trillion in student loan debt, and the average debt for each graduate was

nearly \$30,000. Two-thirds of bachelor's degree recipients borrow money to attend college, and student loans account for the most common form of increasing debt among Americans ages 18-24.

Union Plus will award union members \$150,000 towards student loan debt this year, and these grants will be paid directly to the applicant's student loan financial institution. Applicants must have at least

\$10,000 in outstanding debt from federal or private student loans. For more information on how to apply for the Student Debt Eraser, as well as eligibility requirements, visit
