## Local 235A Celebrates the Season

The USW Local 235A Holiday Party on December 19 was a big success!

About 200 USW members and their families gathered to celebrate and share some fellowship with their sisters and brothers during what has been a difficult holiday season for everyone.

Thanks to Julie Lidstone and the entire staff in the office of District 13 Director Ruben Garza, all of the angels on our holiday tree were adopted.

That means that, despite Sherwin's attempts to be a Scrooge, thanks to the generosity and solidarity of USW members, the children of our union members will still wake up happy this holiday!
